

# BACHELOR OF FINE ARTS IN ART

## DEGREE REQUIREMENTS - 180 MINIMUM CREDITS

- 64-67 credits general education courses (see below)
- 108 credits art major requirements
- + at least 5-8 credits of additional general elective courses in any subject (to meet the degree's 180-credit minimum)

### GENERAL INFORMATION

It is the student's responsibility to review their degree for accuracy and track their progress toward meeting all degree requirements.

The curriculum charts in this handbook outline the general education, group (SCI, SSC, and A&L), and professional course requirements. These charts are examples and should not be viewed as definitive guides.

The general group requirements are monitored by the Office of the Registrar. Each student can access a progress report, called a degree audit, on DuckWeb.

The general requirements are intended to ensure each student receives an education rich in the liberal arts tradition.

### REQUIRED GRADED CREDITS

The University of Oregon requires that all undergraduate students complete a minimum of 168 credits taken with a letter-grade option or as P\* (P\* = courses offered only Pass/No Pass). The University of Oregon requires a minimum 45 credits taken for a letter grade, which must be completed in residence.

### RESIDENCE REQUIREMENTS

Undergraduate students are typically in residence for 4 years. A Bachelor of Fine Arts student may enter the program with transfer credits from another accredited undergraduate degree program. Transfer students must complete the minimum residence requirements.

### CORE EDUCATION REQUIREMENTS

#### English Composition - 8 credits

Two courses in English composition. Most students take WR 121 and WR 122 or 123. You may also take a waiver exam or challenge these courses. If you received advanced placement credits, they are generally listed on the admission statement.

#### Areas of Inquiry Requirement - 36 credits

Art students must complete a minimum of 12 credits in each of the three groups:

• Arts & Letters (A&L and >1) *Note: Some art history courses which are requirements for the Art major may work to fulfill some requirements for this group.*

• Social Sciences (SSC and >2)

• Sciences (SC and >3)

*Rule A - Each group must include courses in at least two subjects.*

*Rule B - No more than three courses with the same subject code may be used to fulfill the total 36-credit requirement.*

Certain areas of inquiry-satisfying courses may also fulfill additional core requirements such as the multicultural and upper division requirements.

#### Cultural Literacy Requirement - 8 credits

All students must complete at least one course in each of the following areas:

- *US: Difference, Inequality, Agency (>US)*
- *Global Perspectives (>GP)*

#### Upper Division General Elective Requirement - 2 credits

University of Oregon students are required to complete 62 credits at the 300-400 level throughout their time here. A minimum of 60 of these credits will be fulfilled by successful completion of the Art major, leaving 2 elective credits of your choice. Upper Division electives may be in any subject, including additional art courses.

#### Liberal Arts Requirement - up to 1 year

Bachelor of Fine Arts students are required to gain proficiency in a single foreign language at the level attained by one year of university-level work, such as successful completion of a language 103 course or the equivalent of one year of college-level work in mathematics or computer information sciences. All courses taken must be passed with a grade of C- or higher, or P (pass). Courses used to satisfy this requirement for the BFA degree may also be used to fulfill Area of Inquiry requirements.
